

Please read the above attached modifications made in school procedures before signing.

We ask that you please review, sign and return this agreement/waiver and release before your child begins attendance or enters the campus of St. Paul's Episcopal Church Preschool. Rather than having you sign EACH DAY at drop off, this statement below is intended that our parents be in partnership with us and only bring children to school as specified below.

Your signature below acknowledges that you agree that each time your child is dropped off at St. Paul's Episcopal Church Preschool, such act shall constitute an express representation and warranty that the student, or any individual who lives in a dwelling in which the child resides, (i) has not tested positive for the COVID-19 virus; or (ii) is not experiencing a fever or any other symptoms consistent with the COVID-19 virus; or (iii) has not taken any fever-reducing medications.

I acknowledge that COVID-19 may be contracted accidentally anywhere in our society, thus the undersigned hereby knowingly and explicitly waives, releases and discharges any and all rights that the undersigned or the child now has or may accrue to file any COVID-19 related claim or lawsuit or assert any other cause of action against St. Paul's Episcopal Church Preschool, its employees, agents, students, guests and other invitees (as well as their spouses and family members) arising out of, in connection with, or as a result of the child attending St. Paul's Episcopal Church Preschool. The undersigned assumes all risks related to COVID-19 that may arise from the child attending class at, or otherwise visiting, these schools, including the child, family or others with whom the child may be in contact with.

We thank you for your shared commitment and efforts to help ensure a safe and clean environment for our students, teachers and staff to enjoy. For convenience, this Waiver and Release may be signed and delivered either physically or electronically.
