

ST. PAUL'S PRESCHOOL REGISTRATION SCHOOL YEAR 2026 - 2027

It is hard to believe that the time has come for you to enroll your child for the fall of 2026 program.

Please read over the following steps. If you have any questions, call the school office for clarification.

It is important to remember that all registration forms will be prioritized and sorted based on your longevity at our school. You will then be assigned a session (AM or PM) according to your family registration number that was assigned to you when your oldest child started school at St. Paul's. Once again be reminded that our cut-off date to enroll in the age-appropriate class is December 31st of 2026.

GENERAL INSTRUCTIONS ↓

Registration cards will be available on a table outside the office beginning January 12th.

1. Pick up a **Registration card as well as an Emergency card**; take it home and fill it out. Choose your preferred class and session time (morning / afternoon). ↓
2. Go to www.stpaulspreschooltustin.org and click on the **PARENT TAB** at the top of the page. Then click again on the word **FORMS**.
 - a. Currently enrolled students should open the '**RETURNING STUDENT**' file that has 4 attached forms.
 - b. For siblings or students **new** to St. Paul's open and download the '**NEW STUDENT**' forms that has 10 attachments.
 - c. Fill out the forms completely and legibly.
3. Return **ALL** paperwork to the school office along with your payment (2026 fees are listed at the end of this flyer) on the correct registration scheduled date listed below. Failure to make the deadline will jeopardize your session (a.m. or p.m.) placement.
 - a. Please note we **WILL NOT** accept partially filled out paperwork. We are making this change because we have had difficulty collecting missing forms. This requires many additional hours on our office administrator to follow up with and track down those families with outstanding registration materials required by the State of California Dept. of Social Services Licensing Division. ↓
4. **Once again remember that registration will be processed according to your family registration number.** Before Easter break we will post the morning and afternoon participants.
 - a. If your first choice was the morning session but you were placed in the afternoon program due to space constraints, we will automatically create a morning wait list for your child. As openings occur, we will contact you.
